

SCHEDULE 1

General conditions under which farmed animals must be kept

Record keeping

7. A record must be maintained of—
 - (a) any medicinal treatment given to animals; and
 - (b) the number of mortalities found on each inspection of animals carried out in accordance with any of the following provisions—
 - (i) in the case of laying hens, paragraph 1 of Schedule 5;
 - (ii) in the case of calves, paragraph 2 or 3 of Schedule 6; or
 - (iii) in the case of pigs, paragraph 2 of Schedule 8; or
 - (iv) in any other case, paragraph 2(1) or (2) of this Schedule.
