(Gwrthdrawiad Buddiannau)
(Cymru) 2008

NODYN ESBONIADOL

(Nid yw'r nodyn hwn yn rhan o'r Rheoliadau.)

Mae'r Rheoliadau hyn yn gosod yr amgylchiadau pan fo'r posiblwydd o wrthdrawiad buddiannau yn gyfryw ag nad oes modd i weithiwr proffesiynol iechyd meddwl cymeradwy wneud cais a grybwyllir yn adran 11(1) o Ddeddf Iechyd Meddwl 1983 (p.20), fel y'i diwygiwyd gan Ddeddf lechyd Meddwl 2007 (p.12), neu nad oes modd i ymarferydd meddygol cofrestredig wneud argymhelliaid meddygol at ddibenion cais a grybwyllir yn adran 12(1) i berson gael ei dderbyn o dan y Ddeddf.

Bydd gan weithiwr proffesiynol iechyd meddwl cymeradwy sy'n ystyried gwneud cais i berson gael ei dderbyn dan y Ddeddf neu ymarferydd meddygol cofrestredig sy'n ystyried rhoi argymhelliaid meddygol at ddibenion cais o'r fath wrthdrawiad buddiannau posibl am amryw o resymau. Mae'r rhesymau hynny yn rhai proffesiynol (rheoliad 3), yn rhai ariannol (rheoliad 4), yn rhai busnes (rheoliad 5) neu oherwydd perthynas bersonol (rheoliad 6) sy'n bodoli rhwng y person hwnnw ac asesydd arall, neu rhwng y person hwnnw a naill ai y claf neu, pan fo'r cais i gael ei wneud gan berthynas agosaf y claf, y perthynas agosaf.

Mae yna ddarpariaeth i weithiwr proffesiynol iechyd meddwl cymeradwy neu i ymarferydd meddygol cofrestredig wneud cais neu argymhelliaid meddygol er gwaethaf gwrthdrawiad buddiannau posibl petai yna fel arall oedi gyda risg difrifol i iechyd neu ddiogelwch y claf neu bobl eraill.

Ni luniwyd asesiad effaith reoleiddiol llawn ar gyfer yr offeryn hwn gan ragwelir y caiff effaith arwyddocaol ar y sector preifat nac ar y sector gwirfoddol.

MENTAL HEALTH, WALES

The Mental Health (Conflicts of Interest) (Wales) Regulations
2008

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations set out the circumstances in which there is a potential conflict of interest such that an approved mental health professional cannot make an application mentioned in section 11(1) of the Mental Health Act 1983 (c.20), as amended by the Mental Health Act 2007 (c.12), or a registered medical practitioner cannot make a medical recommendation for the purposes of an application mentioned in section 12(1) for a person to be admitted under the Act.

An approved mental health professional considering making an application to admit a person under the Act or a registered medical practitioner considering giving a medical recommendation for the purposes of such an application will have a potential conflict of interest for a number of reasons. Those reasons are the existence of a professional (regulation 3), financial (regulation 4), business (regulation 5) or personal (regulation 6) relationships between that person and another assessor, or between that person and either the patient or, where the application is to be made by the patient's nearest relative, the nearest relative.

There is provision for an approved mental health professional or a registered medical practitioner to make an application or a medical recommendation despite a potential conflict of interest if there would otherwise be a delay with a serious risk to the health or safety of the patient or to others.

A full regulatory impact assessment has not been produced for this instrument as no significant impact on the private or voluntary sector is foreseen.
