EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Bluetongue (Wales) Regulations 2008 (S.I. 2008/1090 (W.116)) (“the 2008 Regulations”) by transposing Directive 2012/5/EU amending Council Directive 2000/75/EC as regards vaccination against bluetongue (OJ No L 81, 21.3.2012, p.1).

Regulation 2(4) adds two new paragraphs to regulation 13 (restrictions in protection and surveillance zones) regarding requirements for surveillance zones.

Regulation 2(5) substitutes a new Part 3 (vaccination). Regulation 17 identifies the restrictions relating to obtaining vaccines. Regulation 18 provides a general prohibition on vaccination. Regulation 19 sets out the circumstances and conditions in which compulsory and voluntary vaccination against bluetongue can take place.

A regulatory impact assessment has not been produced for this instrument as no new impact on the private, voluntary or public sector is foreseen.
