

SCHEDULE 12

All applicants: matters that must be included in an authority's scheme — procedural matters

PART 4

Electronic communication

Interpretation

12. In this Part of this Schedule—

“information” includes an application for a reduction under an authority's scheme, a certificate, notice or other evidence;

“official computer system” means a computer system maintained by or on behalf of an authority for the sending, receiving, processing or storing of any information.
