(3) For the purposes of sub-paragraph (1)(a) the net profit of the employment must, except where sub-paragraph (9) applies, be calculated by taking into account the earnings of the employment over the assessment period less—

- (a) subject to sub-paragraphs (5) to (8), any expenses wholly and exclusively incurred in that period for the purposes of that employment;

- (6) A deduction is to be made under sub-paragraph (3)(a) or (4) in respect of the repayment of capital on any loan used for—
- (a) the replacement in the course of business of equipment or machinery; or
 - (b) the repair of an existing business asset except to the extent that any sum is payable under an insurance policy for its repair.
- (7) The authority must refuse to make a deduction in respect of any expenses under sub-paragraph (3)(a) or (4) where it is not satisfied given the nature and the amount of the expense that it has been reasonably incurred.
- (8) For the avoidance of doubt—
- (a) a deduction must not be made under sub-paragraph (3)(a) or (4) in respect of any sum unless it has been expended for the purposes of the business;

(11) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

(a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;

(b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.

(12) In this paragraph, "qualifying premium" means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.
