

## SCHEDULE 6

Determining eligibility for a reduction under an authority's scheme, amount of reduction and calculation of income and capital: persons who are not pensioners

### **PART 4**

Income and capital for the purposes of calculating eligibility for a reduction under an authority's scheme and amount of reduction

#### *CHAPTER 3*

*Capital: persons who are not pensioners*

#### **Calculation of tariff income: persons who are not pensioners**

**33.** The capital of an applicant who is not a pensioner, calculated in accordance with this Schedule, is to be treated as if it were a weekly income of—

- (a) £1 for each complete £250 in excess of £6,000 but not exceeding £16,000;
- (b) £1 for any excess which is not a complete £250.
