EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which apply in relation to Wales, make amendments to the National Assistance (Assessment of Resources) Regulations 1992 (“the Assessment of Resources Regulations”), the Social Care Charges (Means Assessment and Determination of Charges) (Wales) Regulations 2011 (“the Determination of Charges Regulations”) and the Social Care Charges (Direct Payments) (Means Assessment and Determination of Reimbursement or Contribution) (Wales) Regulations 2011 (“the Direct Payment Regulations”). These Regulations also revoke regulation 2 of The National Assistance (Sums for Personal Requirements) and National Assistance (Assessment of Resources) (Amendment) (Wales) Regulations 2013 (“the 2013 Regulations”).

The Assessment of Resources Regulations concern the assessment of the ability of a person to pay for accommodation arranged by local authorities under Part 3 of the National Assistance Act 1948.

Section 22(4) of the National Assistance Act 1948 (“the Act”) requires local authorities, in assessing a person’s ability to pay for accommodation under Part 3 of the Act, to assume, in the absence of special requirements, that a person requires a prescribed sum for their personal requirements per week. Regulation 2 prescribes £25.00 as the sum needed for personal requirements under section 22(4).

Regulation 3 revokes regulation 2 of the 2013 Regulations which previously prescribed the sum for personal requirements under section 22(4).

Regulation 4 amends the Assessment of Resources Regulations so that the capital limit set out in regulation 20A becomes £24,000. The capital limit in regulation 20A is the maximum amount of capital a person may have before that person becomes liable to pay for, or contribute from capital towards the cost of any accommodation arranged under Part 3 of the Act.

Regulation 5 of the Determination of Charges Regulations and regulation 5 of the Direct Payment Regulations respectively prescribe the maximum reasonable charge for a service and the maximum reasonable amount of a reimbursement or contribution payable for that service. Regulations 5(2) and 6(2) of these Regulations amend the Determination of Charges Regulations and the Direct Payment Regulations so that the maximum amount set out in both Regulations becomes £55.00.

Regulations 5(3) and 6(3) amend regulations 14(4) and 16(4) respectively of the Determination of Charges Regulations and the Direct Payment Regulations to include a disregard of the first £10 of a survivor’s guaranteed income payment made under the Armed Forces and Reserve Forces (Compensation Scheme) Order 2011. A survivor’s guaranteed income payment is a payment made until death to a surviving spouse, civil partner or surviving adult dependent. This amendment is made to ensure that means assessments for people receiving non residential services are no less favourable than means assessments under the National Assistance (Assessment of Resources) Regulations 1992 for people receiving residential care.

The Welsh Ministers Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefit of complying with these Regulations.
