

## SCHEDULE 2

### ADDITIONAL REQUIREMENTS FOR KILLING ANIMALS OTHER THAN IN SLAUGHTERHOUSES

## PART 4

### Restraining operations

#### **Electric currents**

**28.** No person may use electrical stunning or killing equipment or any other instrument which applies an electric current to an animal—

- (a) as a means of restraining an animal;
- (b) as a means of immobilising an animal; or
- (c) except in accordance with paragraph 20 of this Schedule, as a means of making an animal move.
