2017 No. 202

The Private Dentistry (Wales) Regulations 2017

PART 1

General

Review of the statement of purpose and patient information leaflet

7. The registered person must—
 - (a) review the statement of purpose and patient information leaflet at least once in every period of twelve months and make any amendment necessary to maintain their accuracy; and
 - (b) notify the appropriate office of the registration authority of any such amendment within 28 days of the review.
