**The Carcase Classification and Price
Reporting (Wales) Regulations 2018**

PART 3

BOVINE CARCASSES

Application of these Regulations to small-scale bovine operators

- 6.—**(1) A small-scale bovine operator is not required to classify bovine carcasses.
- (2) These Regulations do not apply to a small-scale bovine operator which does not classify bovine carcasses.
- (3) But if a small-scale bovine operator chooses to classify bovine carcasses, these Regulations apply in relation to that operator and the classification of those carcasses.
- (4) In this regulation, “small-scale bovine operator” means an operator of an approved slaughterhouse at which fewer than 150 adult bovine animals per week as an annual average are slaughtered.
- (5) Any small-scale bovine operator who, until the coming into force of these Regulations, was required to classify bovine carcasses under the 2011 Regulations is not by that reason alone deemed to have chosen to do so for the purposes of paragraph (3).
- (6) Nothing in this regulation prevents the application of these Regulations to an operator in relation to pig carcasses if pigs are also slaughtered in that operator's slaughterhouse.
