The Mid Wales Corporate Joint Committee Regulations 2021

PART 5

Funding

Calculation of budget requirements

16.—(1) For each financial year the Mid Wales CJC must calculate the amounts described in paragraph (2) attributable to—

- (a) its strategic planning functions (including an appropriate proportion of administration costs and other overheads), and
- (b) its other functions.

(2) The amounts that the CJC must calculate are—

- (a) the amount which the CJC estimates it will spend in respect of the financial year in the exercise of its functions (including spending on administration and other overheads);
- (b) the amount which the CJC considers appropriate to raise for contingencies arising in respect of the financial year;
- (c) the amount which the CJC considers appropriate to be held as a reserve to meet expenditure it considers will be incurred in respect of future financial years;
- (d) any amount which the CJC considers is necessary to meet liabilities outstanding in respect of any earlier financial year.

(3) For each financial year, the Mid Wales CJC must also calculate the aggregate of any amounts it estimates it will receive from sources other than the constituent councils and the Brecon Beacons National Park Authority attributable to—

- (a) its strategic planning functions, and
- (b) its other functions.

(4) Where the sum of the amounts calculated for a financial year under paragraph (1)(a) exceeds the amount calculated for that year under paragraph (3)(a), the amount of excess is the Mid Wales CJC's strategic planning budget requirement for the financial year.

(5) Where the sum of the amounts calculated for a financial year under paragraph (1)(b) exceeds the amount calculated for that year under paragraph (3)(b), the amount of excess is the Mid Wales CJC's general budget requirement for the financial year.

(6) The Mid Wales CJC must—

- (a) carry out the calculations under paragraphs (1) and (3), and
- (b) agree those calculations at a meeting,

no later than 31 January in each preceding financial year.

(7) In relation to the first financial year, paragraph (6) applies as if, for “31 January in each preceding financial year” there were substituted “31 January 2022”.

(8) The Mid Wales CJC may revise the calculations carried out under paragraphs (1) and (3) at any time before the end of the financial year to which they relate and the Mid Wales CJC's general budget requirement, or strategic planning budget requirement, may consequently be revised.

(9) Any revised calculations must be agreed at a meeting of the Mid Wales CJC.

Funding of budget requirement

17.—(1) The Mid Wales CJC's general budget requirement must be paid to the Mid Wales CJC by the constituent councils, and the proportion of that amount payable by each constituent council is to be determined by the unanimous agreement of the council members.

(2) The Mid Wales CJC's strategic planning budget requirement must be paid to the Mid Wales CJC by the constituent councils and the Brecon Beacons National Park Authority, and the proportion of that amount payable by each constituent council and by the Authority is to be determined by the unanimous agreement of the members.

(3) Where agreement cannot be reached as to the proportions payable under paragraph (1) or (2), the Welsh Ministers may by direction specify the proportion payable by each constituent council or each constituent council and the Brecon Beacons National Park Authority.

(4) This regulation applies to a general budget requirement, or strategic planning budget requirement, revised under paragraph (8) of regulation 16 as it applies to a budget requirement initially determined under that regulation.
