The fees applicable in respect of physical checks and identity checks of consignments of certain plants, plant products or other objects from EU member States, Liechtenstein or Switzerland reflect the frequency rates of those checks as set out in the Official Controls, Plant Health, Seeds and Seed Potatoes (Amendment etc.) Regulations 2021 (S.I. 2021/426).

These Regulations also provide an exemption from the payment of fees otherwise payable in respect of certification and pre-export services on phytosanitary consignments in certain circumstances. The exemption ceases to have effect at the end of 31 December 2022 (*regulation 2(3)*).

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
