Conditions

PART 2

Conditions before first use for border control purposes

Landscaping

14.—(1) The existing landscaping must be enhanced.

(2) For the purposes of sub-paragraph (1), “enhanced” means addressing erosion and sparse and intermittent areas in the existing landscaping through measures including—

- (a) scarifying;
- (b) fertilisation of the soil;
- (c) pruning and shaping;
- (d) cutting out dead wood;
- (e) ripping and digging to remove compaction.
