[^{F392}(1B) Before presenting a petition under subsection (1A) in relation to a qualifying water supply licensee whose licence gives it a supplementary authorisation, the Secretary of State or the Authority (as the case may be) must consult the Welsh Ministers.]

(2) The grounds mentioned in [^{F393}subsections (1) and (1A)] above are, in relation to any company—

(a) that there has been, is or is likely to be such a contravention by the company of any principal duty, not being a contravention in respect of which a notice has been served under subsection (3) of section 19 above, as is serious enough to make it inappropriate for the company to continue to hold its appointment [^{F394}or licence];

(b) that there has been, is or is likely to be such a contravention by the company of the provisions of any enforcement order which—

(i) is not for the time being the subject-matter of proceedings brought by virtue of section 21(1) above; and

(ii) if it is a provisional enforcement order, has been confirmed,

as is serious enough to make it inappropriate for the company to continue to hold its appointment [^{F394}or licence];

[^{F395}(bb) in the case of a company which is a [^{F396}qualifying water supply licensee], that—

(i) action taken by the company has caused a contravention by a water undertaker of any principal duty; and

(ii) that action is serious enough to make it inappropriate for the company to continue to hold its licence;]

[^{F397}(bc) in the case of a company which is a qualifying sewerage licensee, that—

(i) action taken by the company has caused a contravention by a sewerage undertaker of any principal duty; and

(ii) that action is serious enough to make it inappropriate for the company to continue to hold its licence;]

(c) that the company is or is likely to be unable to pay its debts;

(d) that, in a case in which the Secretary of State has certified that it would be appropriate, but for section 25 below, for him to petition for the winding up of the company under [^{F398}section 124A of the Insolvency Act 1986] (petition by the Secretary of State following inspectors' report etc.), it would be just and equitable, as mentioned in that section, for the company to be wound up if it did not hold an appointment under Chapter I of this Part or was not a [^{F399}qualifying water supply licensee or a qualifying sewerage licensee]; or

(e) [^{F400}in the case of a company holding an appointment under Chapter 1 of this Part,] that the company is unable or unwilling adequately to participate in arrangements certified by the Secretary of State or the Director to be necessary by reason of, or in connection with, a proposal for the making by virtue of section 7(4)(c) above of any appointment or variation replacing a company as a relevant undertaker.

(3) Notice of any petition under this section for a special administration order shall be given forthwith to such persons and in such manner as may be prescribed by rules made under section 411 of the ^{M7}Insolvency Act 1986 (“the 1986 Act”); and no such petition shall be withdrawn except with the leave of the High Court.

^{F401}(4)

^{F401}(5)

- (6) For the purposes of this section a company is unable to pay its debts if—
- (a) it is a limited company which is deemed to be so unable under section 123 of the 1986 Act (definition of inability to pay debts); or
 - (b) it is an unregistered company which is deemed, by virtue of any of sections 222 to 224 of that Act, to be so unable for the purposes of section 221 of that Act (winding up of unregistered companies).

[^{F402}(7) In this section “principal duty” means—

- (a) in relation to a company holding an appointment under Chapter 1 of this Part, a requirement imposed on the company by section 37 or 94 below;
- (b) in relation to a company which is a [^{F403}qualifying water supply licensee or a qualifying sewerage licensee], any condition of its licence or any statutory requirement imposed on it in consequence of its licence.]

- [^{F599} (1) For the purposes of section 42 above the discounted aggregate deficit on a water main is the amount equal to the sum of the estimated relevant deficits for each of the twelve years following the provision of the main, in each case discounted in accordance with subsection (6) below.
- (2) The estimated relevant deficit for any year is the amount (if any) by which the estimated revenue in respect of the water main for that year would be exceeded by the annual borrowing costs of a loan of the amount required for the provision of that main.

- (4) If, in relation to any area (“area A”), an order under section 88A(1) below specifies a general target concentration lower than that for which any arrangements effective there provide (or, by the previous operation of this subsection, are taken to provide), the arrangements shall have effect from the coming into force of the order as if they provided for the general target concentration specified in the order (subject to the operation again of subsections (2) and (3) above).
- (5) If the result of the operation of subsection (4) above in relation to arrangements in area A is that in an area adjoining area A (“area B”) it is not reasonably practicable to maintain the concentration of fluoride in the water supplied by virtue of arrangements made in area B with the same water undertaker, the order shall be taken to extend also to area B so far as those arrangements are concerned, and subsection (4) above shall apply accordingly.
- (6) An order under section 88A(1) below which in relation to any area specifies a general target concentration higher than that for which any arrangements effective there provide (or are taken to provide by virtue of subsection (4) or (5) above) does not have effect to increase the concentration for which the arrangements provide (or are taken to provide).

 - disodium hexafluorosilicate (Na₂SiF₆).
- (3) Subject to subsection (4) below, water to which fluoride has been added pursuant to any such arrangements entered into by a water undertaker (with a view to its supply in an area) may be supplied by that or any other undertaker to premises in any other area (whether or not that other area is the subject of arrangements under section 87(1) above).

- (11) The regulations may provide for the Secretary of State to specify the concentration that applies to a plant that ceases, by virtue of the regulations, to be an exempt plant in relation to a nutrient pollution standard instead of the standard concentration; and, if such provision is made, the regulations must—
- (a) require that the Secretary of State consult the Environment Agency before specifying a concentration;
 - (b) provide for any specified concentration to cease to have effect if, after the day on which the plant ceases to be an exempt plant, the plant again becomes an exempt plant.
- (12) A designation under subsection (2) in relation to a plant and a nutrient pollution standard is of no effect if the plant ceases, by virtue of regulations under subsection (8), to be exempt in relation to the standard before, or at the same time as, the designation would otherwise take effect.
- (13) In this section “population equivalent” has the meaning given by regulation 2(1) of the Urban Waste Water Treatment (England and Wales) Regulations 1994 ([S.I. 1994/2841](#)).

- (a) supplies of water provided by a water undertaker shall be treated for the purposes of this Chapter as services provided to the occupiers for the time being of any premises supplied; and
 - (b) sewerage services provided by a sewerage undertaker shall be treated for the purposes of this Chapter as provided to the occupiers for the time being of any premises which—
 - (i) are drained by a sewer or drain connecting, either directly or through an intermediate sewer or drain, with such a public sewer of the undertaker as is provided for foul water or surface water or both; or
 - (ii) are premises the occupiers of which have, in respect of the premises, the benefit of facilities which drain to a sewer or drain so connecting.
- (2) Subject to subsection (3) below, charges which, under the preceding provisions of this Chapter, are fixed in relation to any premises by reference to volume may be imposed so that a person is made liable in relation to those premises to pay charges for services provided by a relevant undertaker after that person has ceased to be the occupier of the premises.
- (3) A person shall not be made liable by virtue of subsection (2) above for any charges fixed in relation to any premises by any relevant undertaker, except where—

- (5) Where—
- (a) any person who is the occupier of any premises to which a supply of water is provided by a water undertaker has served notice on the undertaker for the purposes of section 62 above; and
 - (b) that notice is given otherwise than in connection with that person’s ceasing to be the occupier of the premises in a case in which provision is made by virtue of subsection (2) above for a person who has ceased to be the occupier of the premises to be made liable for any charges,
- then, notwithstanding that that person continues to be the occupier of those premises, he shall not be liable to the undertaker (otherwise than in pursuance of a demand for a supply made since the service of the notice) for any charges in respect of any supply of water to those premises after the appropriate time.

- (8) Where, in the case of any premises—
- (a) the person who was liable, immediately before 1st September 1989, to pay charges in respect of a supply of water to those premises was the owner of those premises, rather than the occupier;

 - (c) the person who was in fact the occupier of the premises on that date has not ceased to be the occupier before the coming into force of this Act,
- then the person who is the owner from time to time of those premises shall continue, until the person mentioned in paragraph (c) above does cease to be the occupier of the premises, to be the person liable and, accordingly, shall be treated for the purposes of this section as if he were the occupier of the premises.

- (5) An order under sub-paragraph (4) above may make, with effect from the coming into force of the scheme to which it relates, any such provision as could have been made by the scheme and, in connection with giving effect to that provision from that time, may contain such supplemental, consequential and transitional provision as the Secretary of State considers appropriate.
- (6) In determining, in accordance with his duties under Part I of this Act, whether and in what manner to exercise any power conferred on him by this paragraph the Secretary of State or the Director shall have regard to the need to ensure that any provision for the transfer of property, rights and liabilities in accordance with a scheme under this Schedule allocates property, rights and liabilities to the different companies affected by the scheme in such proportions as appear to him to be appropriate in the context of the different functions which will, by virtue of this Act, be carried out at different times on and after the relevant date by the new appointee, by the existing appointee and by any other appointees.
- (7) It shall be the duty of the new appointee, of the existing appointee and of any other appointees to provide the Secretary of State or the Director with all such information and other assistance as he may reasonably require for the purposes of, or in connection with, the exercise of any power conferred on him by this paragraph.

- (8) A company which without reasonable excuse fails to do anything required of it by virtue of sub-paragraph (7) above shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 5 on the standard scale.
- (9) Without prejudice to the other provisions of this Act relating to the special administrator of a company, anything which is required by this paragraph to be done by a company shall, where that company is a company in relation to which a special administration order is in force, be effective only if it is done on the company's behalf by its special administrator.

Special protection for certain undertakings in respect of street works

- 3 (1) Subject to the following provisions of this paragraph and without prejudice to the other provisions of this Schedule, the powers under the street works provisions to break up or open a street shall not be exercisable where the street, not being a highway maintainable at public expense (within the meaning of the^{M157}Highways Act 1980)—
- (a) is under the control or management of, or is maintainable by, railway undertakers or a navigation authority; or
 - (b) forms part of a level crossing belonging to any such undertakers or to such an authority or to any other person,
- except with the consent of the undertakers or authority or, as the case may be, of the person to whom the level crossing belongs.
- (2) Sub-paragraph (1) above shall not apply to any exercise of the powers conferred by the street works provisions for the carrying out of emergency works, within the meaning of Part III of the^{M158}New Roads and Street Works Act 1991.

- (4) Any dispute—
- (a) as to whether a consent for the purposes of sub-paragraph (1) above should be given or withheld; or

- (5) If any relevant undertaker contravenes, without reasonable excuse, the requirements of sub-paragraph (1) above, it shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 3 on the standard scale.
- (6) The restrictions contained in paragraphs (1) to (5) of section 32 of the ^{M159}Tramways Act 1870 (protection of tramways) shall apply in relation to any exercise of a power conferred by the street works provisions—

Interpretation

- 7 (1) In this Schedule—
- “conveyance” has the same meaning as in the ^{M163}Law of Property Act 1925;

 - “underlying”, in relation to any part of the undertaking of a relevant undertaker, means lying under, or within the designated distance from, that part of that undertaking.
- (2) For the purposes of this Schedule the undertaking of a relevant undertaker shall be taken to consist of so much of any of the following as is for the time being vested in or held by that undertaker for the purposes of, or in connection with, the carrying out of any of its functions, that is to say—
- (a) any buildings, reservoirs, wells, boreholes or other structures; and
 - (b) any pipes or other underground works particulars of which fall or would fall to be incorporated in any records kept under section 198 or 199 of this Act.

- (4) For the purposes of this Schedule land shall be treated as acquired by a relevant undertaker in pursuance of powers of compulsory acquisition if it—
- (a) was so acquired by a water authority established under section 2 of the ^{M164}Water Act 1973 or any predecessor of such a water authority or by a predecessor of a statutory water company; and
 - (b) is now vested in that undertaker in accordance with a scheme under Schedule 2 to the ^{M165}Water Act 1989 or Schedule 2 to this Act or otherwise.

- (5) In relation—
- (a) to any land treated by virtue of sub-paragraph (4) above as acquired in pursuance of powers of compulsory acquisition; or
 - (b) to any land acquired by a statutory water company before 1st September 1989 in pursuance of any such powers,

references in this Schedule to the order authorising the acquisition include references to any local statutory provision which immediately before 1st September 1989 had effect in relation to that land for the purposes of any provisions corresponding to the provisions of this Schedule.

- (6) For the purposes of this Schedule where—
- (a) any part of a relevant undertaker's undertaking was constructed, made, erected or laid in pursuance of an order made under any enactment or is situated on land acquired by the relevant undertaker in pursuance of any powers of compulsory acquisition; and
 - (b) the order authorising the works or acquisition designates any distance for the purposes of any enactment relating to mines or minerals underlying that part of the undertaking,
