[^{F85}9A The age-related secondary percentage

- (1) Where a secondary Class 1 contribution is payable as mentioned in section 6(1)(b) above, this section applies to the earnings paid in the tax week, in respect of the employment in question, if the earner falls within an age group specified in column 1 of the table in subsection (3).

[But this section does not apply to those earnings so far as section 9B below (zero-rate ^{F86}(1A) secondary Class 1 contributions for certain apprentices) applies to them.]

- (2) For the purposes of section 9(1A)(a) above, the age-related secondary percentage is the percentage for the earner's age group specified in column 2 of the table.
- (3) Here is the table—

<i>Age group</i>	<i>Age-related secondary percentage</i>
Under 21	0%

- (4) The Treasury may by regulations amend the table—
- so as to add an age group in column 1 and to specify the percentage in column 2 for that age group;
 - so as to reduce (or further reduce) the percentage specified in column 2 for an age group already specified in column 1 (whether for the whole of the age group or only part of it).
- (5) A percentage specified under subsection (4)(a) must be lower than the secondary percentage.
- (6) For the purposes of this Act a person is still to be regarded as being liable to pay a secondary Class 1 contribution even though the amount of the contribution is £0 because the age-related secondary percentage is 0%.
- (7) The Treasury may by regulations provide that, in relation to an age group specified in the table, there is to be for every tax year an upper secondary threshold for secondary Class 1 contributions.

That threshold is to be the amount specified for that year by regulations made by the Treasury.

- (9) Where—
- (a) a secondary Class 1 contribution is payable as mentioned in section 6(1)(b) above,
 - (b) the earner falls within an age group in relation to which provision has been made under subsection (7), and
 - (c) the earnings paid in the tax week, in respect of the employment in question, exceed the current upper secondary threshold (or the prescribed equivalent) in relation to the age group,
- this section is not to apply to the earnings so far as they exceed that threshold (or the prescribed equivalent); and for the purposes of section 9(1) above the relevant percentage in respect of the earnings so far as they exceed that threshold (or the prescribed equivalent) is, accordingly, to be the secondary percentage.

[^{F87}9B Zero-rate secondary Class 1 contributions for certain apprentices

- (1) Where a secondary Class 1 contribution is payable as mentioned in section 6(1)(b) above, this section applies to the earnings paid in the tax week, in respect of the employment in question, if the earner is a relevant apprentice in relation to that employment.
- (2) An earner is a “relevant apprentice”, in relation to an employment, if the earner—
- (a) is aged under 25, and
 - (b) is employed, in the employment, as an apprentice.
- (3) For the purposes of this Act a person is still to be regarded as being liable to pay a secondary Class 1 contribution even if the amount of the contribution is £0 because this section applies to the earnings in question.
- (4) The Treasury may by regulations provide that, in relation to relevant apprentices, there is to be for every tax year an upper secondary threshold for secondary Class 1 contributions.
- That threshold is to be the amount specified for that year by regulations made by the Treasury.
- (5) Subsections (4) and (5) of section 5 above (which confer power to prescribe an equivalent of a secondary threshold in relation to earners paid otherwise than weekly), and subsection (6) of that section as it applies for the purposes of those subsections,

apply for the purposes of an upper secondary threshold in relation to relevant apprentices as they apply for the purposes of a secondary threshold.

- (6) Subsection (7) applies if—
- (a) a secondary Class 1 contribution is payable as mentioned in section 6(1)(b) above,
 - (b) the earnings paid in the tax week, in respect of the employment in question, exceed the current upper secondary threshold (or the prescribed equivalent) in relation to relevant apprentices, and
 - (c) the earner is a relevant apprentice in relation to the employment.
- (7) This section does not apply to those earnings so far as they exceed that threshold (or the prescribed equivalent) (“the excess earnings”) and, accordingly, for the purposes of section 9(1) above the relevant percentage in respect of the excess earnings is the secondary percentage.
- (8) But the Treasury may by regulations modify the effect of subsection (7) in a case in which the earner falls within an age group specified in column 1 of the table in section 9A(3) above.
- (9) In subsection (2)(b) “apprentice” has such meaning as the Treasury may prescribe.
- (10) The Treasury may by regulations amend subsection (2)(a) so as to alter the age that an earner must be in order to be a relevant apprentice (and regulations under this subsection may have the effect of allowing anyone who is of an age at which secondary Class 1 contributions are payable to be a relevant apprentice).]
