**PART 3**

**SHADOW AUTHORITIES**

**Duties of shadow authorities: executive arrangements**

7.—(1) At its first meeting, each shadow authority must create a leader and cabinet executive within the meaning of Part 1A of the 2000 Act<sup>(1)</sup> (arrangements with respect to local authority governance in England) (“the shadow executive”).

(2) With the exception of Chapter 4 (changing governance arrangements) the provisions of Part 1A of the 2000 Act, to the extent that they relate to a leader and cabinet executive, have effect in relation to a shadow authority as if—

- (a) its executive were a leader and cabinet executive of a district council;
- (b) the executive arrangements that it makes were executive arrangements of a district council;
- (c) in the case of the shadow authority for Cumberland, section 9E (discharge of functions: general) authorised its executive to delegate functions not only to officers of the shadow authority but also to officers of the county council and the Cumberland councils;
- (d) in the case of the shadow authority for Westmorland and Furness, section 9E authorised its executive to delegate functions not only to officers of the shadow authority but also to officers of the county council and the Westmorland and Furness councils.

(3) Chapter 7 of Part 1 of the 2011 Act (standards) applies in relation to the shadow authority as if—

- (a) it were a district council (but not a principal authority in relation to a parish council); and
- (b) references to co-opted members were omitted.
